IAS is arranging for pickups by [GoOpti](#) shuttle service from Ljubljana airport based on travel form responses for all attendees arriving on October 18 or 19. **If your flight is delayed and/or differs from what you submitted on your travel form, please contact GoOpti directly at the number below to inform them of your new arrival time.**

Leave the airport building from international arrivals and go to the GoOpti shuttle van as pictured below. This is opposite the airport building entrance.

The GoOpti shuttle driver will have your name and expected arrival time.

Pick-up location

Ljubljana Airport (LJU), Zgornji Brnik 130a, 4210 Brnik - Aerodrom, (GoOpti point in front of arrivals exit), Ljubljana, Slovenia

GoOpti point at the shuttle van station located next to the passage to the garage.

If you cannot find the driver and are lost, you can call +38651241434 and ask for Ursa for assistance.
