

The “Skunk Works” is:

- ◇ *An “Enterprise” where Entrepreneurs can flourish in large Corporations*
- ◇ *A “Culture” permeated with a Can Do Attitude*
- ◇ *An “Organization ” which permits the generation of innovative ideas with a very short Incubation Cycle*
- ◇ *An “Environment” where people are free to dream, take risks & successfully fail*

But Mostly

- ◇ *A “Place” of “Magic and Secrets”*
