

The National Academies of Sciences, Engineering, and Medicine Copyright Assignment

As a participant at an activity of the National Academy of Engineering's (NAE's) 2016 US Frontiers of Engineering to be held on September 19-21, 2016 ("Meeting"), I hereby grant a nonexclusive¹, no-cost, worldwide, transferable, irrevocable license authorizing NAE and others acting on its behalf, to publish, use, duplicate, disclose, exhibit, and display my materials presented at the Meeting, including without limitation any submitted papers, abstracts, audio recordings, transcriptions, vu-graphs, slides, and other presentation materials ("Presentation Materials"). I understand and agree that the foregoing Presentation Materials may be edited and used by NAE or its agents in whole or in part for the following purposes:

I give permission for the following purposes (please check the boxes):

- Reproduction in print publications
- Electronic distribution via the Web, CDROM, or other electronic media
- Broadcast via audio and video recording
- Foreign translations, promotion, and publicity.

I am authorized to provide the license granted herein, and I confirm that (1) the Presentation Materials are original to me, and do not contain any material that would violate the copyrights, trademarks, or any other property rights of others, and (2) that I have obtained sufficient rights with respect to any third-party materials included in the Presentation Materials to provide the license herein.

If the Presentation Materials include material that is owned or controlled by a third party, the author(s) must identify such material, the owner, and list previous publication if applicable below AND provide the owner's/journal's permission to publish/republish this material in print and online.
