

MARIJA TRCKA, PHD INNOVATION BUSINESS DEVELOPMENT, UTC

Mechanical Engineering,
University of Belgrade,
Serbia

Danish
Technological
Institute

Axima Refrigeration,
Germany

**United Technologies
Research Center**

\$56.1B

Eindhoven
University of
Technology, the
Netherlands

Otis

Pratt & Whitney

UTC Climate,
Controls & Security

UTC Aerospace Systems

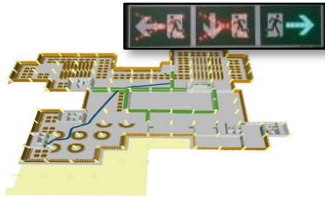

Research areas

Retrofit Analysis

Simulation tools for building
retrofit analysis

Intelligent Egress

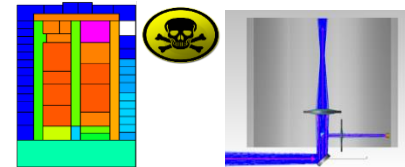

Intelligent egress route
calculation

Advanced Controls

Simulation based support for
advanced system control and
diagnostics

Hazardous Agent Detection and Response

Simulation aided design and
operation of systems in
hazardous environments

Current role: Innovation Business Development

LEVERAGE UTC TECHNOLOGY PORTFOLIO ...

... INTO ALTERNATIVE APPLICATIONS.
